7 SPONSORSHIP CHARGES AND EXHIBITION TARIFF

Sponsorship Charges and Exhibition Tariff given are exclusive of government taxes and levies. Any government tax / levy, as applicable, will be collected with each installment.

Invoicing will be done on the basis of sponsorship / total stall space booking instructions given by the exhibitors. Exhibitors will receive subsequent invoices after confirmation of the stall allocation. Invoices for other services will be issued separately as per requirements of the exhibitors. Authorisation will not be given to occupy exhibition space for which any payment is pending. Foreign firms / organisations applying for space in their own name will have to pay space / stall charges and other charges in US Dollars only. In case foreign firms / organisations are participating through Indian agents / collaborators, the exhibitors should mention the total area to be physically occupied for the display of foreign products in the application form. (Minimum amount payable in such cases would be in US Dollars equivalent to 10% of the total area booked.) In case of Indian exhibitors displaying only imported products, the entire stall charges are to be paid in US Dollars or in equivalent Indian Rupees at the prevailing exchange rate on the date of remittance.

8 APPLICATION FOR PARTICIPATION

Prospective exhibitors should apply for space / stall booking on the prescribed "Application Form 1" together with payment. However, Organisers reserve the right to limit / alter the space booking and also reject the application for space. Allotment of the space / stall will be on "first-come-first-served" basis, subject to receipt of payment. All payments should be made by cheque / demand draft in favour of "Consulting Electrical Engineers Association of Maharashtra" payable at Mumbai. Foreign participants may make payments by transfer advice for appropriate amount in favour of "Consulting Electrical Engineers Association of Maharashtra", Current Account No. 60063072475 of "CEEAMA" with Bank of Maharashtra, 8 A, Savitri Shopping Centre, Shastri Hall, J. Dadji Marg, Grant Road (W), Mumbai 400007. A copy of the correspondence with our bankers should be e-mailed to FairAct / CEEAMATECH for reference.

9 SPACE BOOKING

Bare Space: For Exhibitors booking bare space, Organisers will allot only bare space. Organisers will mark borders of the space booked by the exhibitors. Construction of partition walls is the responsibility of the bare space stall holders. Bare space stall holders must pay charges for power consumption @ Rs. 3,000/- per kW (for 1Φ) and @ Rs. 3,500 per kW (for 3Φ) separately on the basis of their total connected load in kW, including power required for lighting load.

Shell Scheme Stalls: Shell scheme stalls will be provided with partition walls upto 3 sides, needle punch carpet, namefascia & basic furniture like table, chair, spotlight on the basis of the area booked as mentioned at the end of this document. A.C. supply with 5 Amp. 220 V plug and socket for connected load upto 1 kW will be provided to each stall holder at no extra cost. However, for connected load more than 1 kW, shell stall holders are required to pay power charges @ Rs. 3,000/- per kW (for 1Φ) and @ Rs. 3,500 per kW (for 3Φ).

10 ALLOCATION OF SPACE

Allocation of the position and dimensions of the stalls will be decided by the Organisers. The exhibitors will be given opportunity for selecting stall location on first-come-first-served basis. It is to be appreciated that the Organisers will try their best to accommodate requests of exhibitors to the extent possible. If it is not possible, the Organisers will allocate a stall at the nearest location originally selected by the exhibitor. Details of stall allotment will be communicated to the exhibitors appropriately. The decision of the organisers in regard to stall / space allocation will be final and binding. Organisers also reserve the right, should circumstances so necessitate, to change the position, dimension or area of the stalls. In such an event, sufficient notice will be given to the exhibitors.

11 LAYOUT PLAN OF STALLS

All exhibitors must submit two copies each of the layout plan of their stalls, showing positions of equipment, exhibits, fittings, furniture and office cubicles etc, with their dimensions in meters, and elevation drawing, showing various heights of partitions, cabins Logo, namefacia exhibits and other display material to the Organisers for approval, on or before 20th January 2019. Modifications or / and alterations suggested by the organisers will be binding on the exhibitors. If the actual display arrangements of the stalls are not in conformity to the approved layout plan, the Organisers have right to remove or cause removal of unapproved installations from the stalls at the cost and risk of the exhibitors.

12 STALL POSSESSION

Bare Space Stalls: Possession of bare space will be given from 1000 Hrs on 6th February 2019 till 1200 hrs on 7th February 2019. Possession of the stall would be given only on submitting a copy of the layout plan duly approved by the Organisers / Fair Architect.

Shell Stalls: Possession of shell stalls will be given from 1000 hrs on 7th February 2019 till 1600 hrs on 7th February 2019. Possession will not be given to any stall holder after stipulated time.

13 GUIDELINES FOR STALL AREA UTILISATION

Technical Specifications of Exhibition Halls are as under:

Halls A and B	
Ambiance	Air conditioned
Electrical Supply	230 V - 1Φ / 415 V - 3Φ - 50Hz
Floor Finish	Cement Concrete

Exhibitors with exhibits higher than 4 M are requested to take note of the height limitations at various places. Exhibitors should leave minimum 30% of the stall area free for movement of visitors. Height of panels and common panels between stalls should not exceed 2.4 meters with smooth surface on both sides. Organisers suggest co-ordination between neighboring exhibitors for cost reduction and

painting on either side to suit individual stall design. Sides which are open to the aisles should not be blocked by panels more than 30% of the length of such sides. No structure, publicity material, photographs, charts, not being displayed product, should have height exceeding 2.4 meters. However, height of products on display can be more than 2.4 meters. Walls, if any, along the aisles should not carry any charts, texts, other than name of the exhibitor and his logo on the side facing aisles. Logos can be displayed upto a height of 4 meters in the stalls of the exhibitors provided they are away from adjacent stalls by a minimum distance of 2 meters. Enclosures for office, conference or pantry can be set up in the stalls provided the height and area covered by such enclosures is not more than 2.4 meters and 30% of the stall area respectively. Such enclosures should be located along the building wall of the exhibition hall, if any, or at the rear of the stall. Enclosures should be at least 2 meters away from the aisles.

Exhibitors having booked bare space above 72 sq. meters only can construct a mezzanine floor by paying extra charges of 10% of the stall charges payable to CEEAMATECH, provided they obtain prior approval of the stall layout in accordance with CEEAMATECH Rules and Regulations. The total height of the stall with mezzanine floor should not be more than 4.0 meters and area should not exceed 20% of the bare space booked by them.

Use of suitable floor covering inside the stalls is permitted subject to the condition that the floor is not damaged. Use of loud speakers, musical instruments etc. in the stalls is prohibited. Films, multimedia presentations, video or slide shows on products, systems and services may however be conducted within the stalls provided the sound level is kept low to avoid disturbance to others. The video display should not be kept along the aisles. Information headphones are allowed provided these are set up atleast 1 meter inside from the aisles. Use of bright and / or coloured lights, neon signs of any size, shape or colour or any other electrical decorative material is forbidden. Depicting exhibitors name or logo in non flickering / non off-on type light is however permitted. Use of all types of publicity materials such as posters, banners, hanging decorations made of any material is not allowed outside the stall area. Use of potted plants is allowed only inside the stall boundaries. The distribution and exhibition of samples, brochures, leaflets and all types of promotional material may take place exclusively within each exhibitor's assigned space. The promotional material that is distributed in these spaces may not deviate from the general theme of the exhibition. Noisy demonstrations that may annoy other Exhibitors are forbidden. The maximum noise level is 60 decibels, measured at the stand limits. Cellulose paints may not be sprayed on any type of object within the Exhibition Centre. Use of exhibit materials that are dangerous, inflammable, explosive, unhealthy, foul-smelling or which may, in general, annoy other Exhibitors or visitors is not permitted. Use of spray painting for stall decoration is not permitted within any hall. Organisers advise exhibitors to bring in pre-fabricated stand to avoid delay in completion of stands as well as inconvenience to other exhibitors.

14 SAFETY PRECAUTIONS

Use of inflammable material is prohibited. Special mention must be made of the fire resistance level of materials such as those used for covering floors and in the construction of walls and ceiling. Decorative elements must be fire proof and should not include materials or products that are easily ignited, such as straw, wood shavings, paper shavings, sawdust, peat, etc. Use of gas cylinders / stoves within the stall is strictly prohibited. In order to carry out work, demonstrations that require naked flames, Exhibitors must request the corresponding permit from the Organisers. Firefighting equipment will be provided at various points in the exhibition halls. Exhibitors are advised to provide necessary space in their stall, if required to keep this equipment and should take due care of such equipment in their stall. Exhibitors should also install protective shielding on machines / exhibits during demonstration to avoid injury to visitors.

15 STALL COMPLETION

All construction work and electrical wiring must be completed in all respect one day before the exhibition. The Organisers reserve right of stopping the construction work after 1600 hrs on 7th February 2019. All stalls must be ready in all respect on 7th February 2019. 50% of the security deposit will be forfeited, if the stall is not completed in all respects before 1800 hrs on 7th February 2019. Organisers advise all stall holders and their contractors to store the waste material at one place within their stall area, from where the organisers would arrange to remove the same. Organisers would start cleaning up the aisles and laying of carpet in the aisles after 1800 hrs on 7th February 2019.

16 IMPORT OF GOODS / EXHIBITS

Exhibits and goods covered by ATA Carnet while in India MUST be checked and endorsed by Customs prior to departure from India. Please consult the official Freight Forwarding Agencies regarding the correct documentation procedure. It is vital that Exhibitors complete and satisfy the customs procedure, otherwise the whole consignment will be deemed by customs to have been disposed off in India, resulting in a deduction from deposit or bond or revocation of bank guarantee for Custom Duties. No Customs duty refund is allowed for goods and services consumed, disposed off or left behind in India, such as accommodation, meals and beverages, car rental, brochures, give-aways, stand materials, etc. Please consult the official freight forwarding agent who is aware of all formalities for the same. Temporary duty free importation is not possible for the goods which are hand carried in the accompanied baggage. Customs may levy duty on such hand carried imported exhibits as per the baggage rules subject to the valuation by Customs Authority. For any exhibition material sent through courier, consult the official forwarding agent for provisions and regulations in this regard.

17 CUSTOMS DUTY AND EXCISE DUTY ON GOODS AND EXHIBITS

Following information is a summary of the regulations applicable to the import of exhibits / materials into Pune, India for exhibition purposes. Under the laws of the Republic of India, all imports including hand-carried items into India, whether exhibits, brochures, promotional items, give-aways or stall materials, are subject to payment of appropriate level of import duty. The Customs and Excise Department of the Republic of India in its role of enforcing these laws of India requires that all imports must be covered by documentation which shows that either customs and excise duty has been paid on the said imports (wherever applicable) or is being deferred if the said imports are covered by an ATA Carnet or with necessary permissions.

Terms and Conditions for Import of exhibits: India is a member country for ATA Carnet. The Indian Customs, therefore, will honour ATA Carnet Documents issued by other members countries. This can cover a large cargo consignment or a single Exhibitor's hand-carried goods, except for all consumable goods meant for distribution or sale which are not likely to be re-exported. For goods imported through medium of post, transit goods, separate bills of entry will be required to be filled in and has 6 months validity. Exhibitors who wish to use the ATA Carnet should contact the International Chamber of Commerce in their respective countries regarding application procedure. Government of India has also issued notifications / instructions facilitating entry of exhibits against bond for re-export and even procedure for sale of such exhibits against payment of appropriate import and other duties. For further information, exhibitors are requested to contact official freight and forwarding agency.

As Organisers, we would strongly recommend that exhibitors should engage the services of the official freight forwarder, who is familiar with the customs procedure and is also able to handle all your exhibits and consignments from the arrival in any Indian port / airport to the final departure from any Indian port / airport. Should you use your own freight forwarder, please ensure that your freight forwarder is familiar with the customs regulations and is also in a position to raise the bank guarantee, if required.

Exemption from payment of Central Excise duty: Approval from ITPO for CEEAMATECH Exhibition is awaited and will be conveyed to exhibitors as soon as the same is received. With ITPO approval, exhibitors can claim exemption from payment of Central Excise Duty on exhibits to be cleared for the purpose of display in CEEAMATECH Exhibition, as per Excise Notification in force.

18 STORAGE BOXES AND PACKING CRATES

Exhibitors will not be permitted to store boxes or packing crates in or behind their stalls. All boxes and crates are to be placed before 1800 hrs on 7th February 2019 in designated storage area provided.

19 REMOVAL OF EXHIBITS

Exhibitors are not allowed to remove any exhibit from the stalls before official closure of the exhibition i.e. before 1800 hrs. on 10th February 2019. The work of removing the exhibits should be undertaken immediately after the closure of the exhibition and must be completed before 0400 hrs. on 11th February 2019. After this period, the organisers will be at liberty to remove and store the goods at other places at the cost and risk of exhibitors.

20 SECURITY

Organisers will be engaging alert and efficient security service to secure safety of all exhibits. However, the exhibitors are advised to hire their own security personnel for their stall and obtain the necessary badge for them. Exhibitors must arrange their own insurance, to cover all stages of the event and be particularly careful to pack light, portable exhibits and other attractive exhibits immediately after the exhibition closes on Sunday, 10th February 2019. It is at this time that there is the greatest risk of theft. The organisers will not accept responsibility for theft, loss or damage to exhibits, stores or any other equipment belonging to exhibitors, contractors or visitors. It is strongly recommended that atleast one person is present at the exhibition stall at the time of closure. Exhibitors are also advised that rented furniture items will be collected after exhibition closes on Sunday, 10th February 2019. Drawers, cupboards etc. should be emptied and the contents packed after the Exhibition closes on Sunday, 10th February 2019.

21 SALE OR DISCOUNT SALES

No sales or discount sales of exhibits or products exhibited will be permitted in the exhibition.

22 DAMAGE CAUSED BY EXHIBITORS

After closure of the exhibition, stall area must be restored to its original condition. Exhibitors will be required to make good all damages caused to the floor, building, or other exhibition structure, equipment by repairing the same or paying the cost specified by the organisers within 15 days from the date of closure of the exhibition.

23 LIMIT OF LIABILITY

Organisers are not liable in any form for any loss or damage to exhibitors' property on the exhibition site or injury to their personnel and visitors. Exhibitors agree to refrain from making any claim on the organisers and to indemnify them against any claim by third party arising out of exhibitors' conduct.

24 LOCAL AND SITE REGULATIONS

Exhibitors agree to abide by the local and site regulation with respect to safety, law and order etc. The Organisers will take necessary action against those who do not comply with the regulations.

25 PHOTOGRAPHS / FILMS

The Organisers have exclusive right to take photographs and films of the exhibition and of individual stalls. The exhibitors can, however, take photographs of their own stall and visitors to their stall.

26 TELEPHONE / FAX CHARGES

The Organisers are discussing with the service providers for making best possible arrangement for telephone / fax lines for Local, STD and ISD calls at their stalls. The tariff for the same will be informed to the exhibitors at later date. The exhibitors may indicate their tentative requirement.

27 SUPPLY OF ELECTRIC POWER

The electric power is available at 440 Volts $\pm 10\%$ (3 Φ) and 230 Volts $\pm 10\%$ (1 Φ) at 50 Hz $\pm 3\%$. Bare space stall holders must pay charges of power consumption @ Rs. 3,000/- per kW (for 1 Φ) and @ Rs. 3,500 per kW (for 3 Φ) separately on the basis of their total connected load in kW, including power required for lighting load.

Under shell scheme, A.C. supply with 5 Amp. 220 V plug and socket for connected load upto 1 kW will be provided to each stall holder at no extra cost. However, for connected load more than 1 kW, shell stall holders are required to pay power charges @ Rs. 3,000/- per kW (for 1 Φ) and @ Rs. 3,500 per kW (for 3 Φ). The installation should confirm to National Electricity Code 4, especially rules in respect of ELCB for safety.

28 SECURITY DEPOSIT

Exhibitors are required to pay security deposit as under:

For Shell constructed stall : Rs. 10,000/-

For Bare space stall : Rs. 20,000/-

Security deposit, which will be interest free, shall be returned to the exhibitors after deducting the claim for damages and other recoveries, if any. 50% of the security deposit will be forfeited, if the stall is not completed in all respects before 1800 hrs on 7th February 2019 (please refer Sr. No.15 above).

29 PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

"The exhibitor shall not exhibit counterfeit goods or any goods which infringe any person's intellectual property rights (collectively, "Infringing Goods") at the Exhibition. The Organisers shall have the right without recourse to physically remove any goods that are Infringing Goods and related materials and close down that Exhibitor's Exhibition Stall. The Exhibitor shall not have any financial claim against the Organisers in such cases.

30 FORCE MAJEURE

Under the conditions of force majeure which also include strike, lock-out, closure, riot, natural calamities, the organisers reserve the right to alter the opening dates and duration or even cancel the entire exhibition. In case of change in dates and duration of the exhibition, the rules and regulations and the agreement between the exhibitors and the organisers will remain unaffected. In case of total cancellation of the exhibition, the payments made by the exhibitors will be refunded to the exhibitors after deducting the non-recoverable proportionate costs already incurred by the Organisers.

31 ACCEPTANCE OF RULES

Formulation and execution of the rules and regulations of CEEAMATECH and all other matters with regard to CEEAMATECH will be carried out by FAIRACT, Mumbai Office, (referred as the Organisers) or their authorised representatives. The Organisers have sole authority to enforce all the rules and regulations pertaining to CEEAMATECH. Their decision will be final and binding in all respects and for all concerned. In case it becomes necessary to hold the event at a different date or at a different venue, Organisers will have the sole authority to issue corresponding notification of alteration which will replace the confirmation of acceptance. The execution of this application and participation contract and its receipt by, FAIRACT / CEEAMATECH is deemed conclusive evidence of the applicants agreement to pay the full charges due from that moment. The application and participation contract once entered into, cannot be cancelled by the applicant. Any dispute will be subject to Mumbai Jurisdiction. By booking space in CEEAMATECH exhibition, the exhibitors undertake to adhere to all The rules and regulations laid down by the Organisers or to be framed by them from time to time.

32 CANCELLATION OF BOOKING

Cancellation of participation at any stage or reduction of space by exhibitors will not be permitted and no refund will be paid to the exhibitors on this account
